

SUPPORTING OUR YOUTH

YOUTH PRECINCT

The vision for our new Youth Precinct!...opening early in the first half of 2025! The Kingsbury Youth Precinct is packed with exciting elements, creating a vibrant space for recreation, socialising, and staying active.

What can you expect?

- Repair and extensions to the existing skate park
- Pump track
- Parkour zone
- Multi-sport courts
- Play tower
- Accessibility play
- Special event spaces
- Grandstand and community room
- Social and recreational areas, including BBQs
- New toilet facilities

Member for Kalgoorlie

2024 Wrap Up

KARLKURLA NATURE PLAYGROUND

This is what the best nature playground in regional WA looks like! The community opening at **Karlkurla**, saw lots of children and families enjoy our Cook Labor Government's election commitment of **\$600,000**. With additional funding from the City of Kalgoorlie-Boulder and Northern Star Kalgoorlie Operations, to make it happen! The biggest thank you to Kim Eckert from KBULG for having the vision for this. It's breathtaking and I'm so proud to be part of a Government that actually makes a difference!!

NORSEMAN MURALS

When in Norseman, be sure to take some time to admire our amazing murals! Including our newest community mural along Roberts Street. These stunning murals are part of a funding commitment provided to the Shire of Dundas and were completed by the children and youth of Norseman. Worth a visit for sure!

ALI KENT MLA — MAKING A DIFFERENCE IN THE GOLDFIELDS!

I'm proud of what I've achieved in the last four years, but of course there's always more to be done. I'm looking forward to sharing my continued plans with you shortly. **Myself and Premier Roger Cook continue to deliver for Kalgoorlie, setting the Goldfields region up for the long term.** We know many Goldfields families are under pressure, and that's why tackling cost of living is our **number one** priority 🙌

- 💡 **\$700 electricity credit** for every WA household.
- ✈️ Introduced a **regional airfare cap**, making airfares more affordable for regional West Australians — almost **50,000** return flights have been booked by Goldfielders so far!
- 🚌 **Free public transport** for students going to and from school.
- 👷 We've made **130 TAFE courses free** across a range of key industries.
- 👨👩👧👦 Delivered the **WA Student Assistance Payment — \$916,500** for Goldfields families.
- 🏠 Introduced the **WA Rent Relief Program** to help financially vulnerable tenants at risk of eviction remain in their homes, with rental assistance of up to **\$5,000**.
- 👴 Boosted the **seniors' cost of living rebate** to \$107 for singles and \$160 for couples.
- ⚽ More than doubled our **KidSport vouchers** to **\$500**.
- 🏫 **Free period products** in all public primary schools, high schools and TAFE campuses across WA.
- 🚗 Increased the **Regional Pensioner Travel Card** by \$100 to **\$675**.
- 👕 More than **doubled the Secondary School Clothing Allowance** to **\$300**.
- 🏊 **Free VacSwim** over the summer holidays.
- 🔧 **\$1,000 milestone** payments for apprentices in building and construction.

SUPPORTING A HEALTHY COMMUNITY

IT'S ABOUT BLOODY TIME!

Nearly four years ago I embarked on a quest to bring back our blood donation facility. So many people told me, numerous attempts had failed in the 10 years since it had closed, and that I didn't stand a chance of bringing it back! That didn't stop me! I pushed and pushed with Australian Red Cross Lifeblood, badgering the poor bosses, in Victoria and Perth.

But I never gave up on this challenge and I'm proud, excited and overjoyed to be able to have announced that the **KALGOORLIE-BOULDER POP-UP CLINIC** was here in September 2024, for the initial week, and will be here again in January 2025. Kalgoorlie-Boulder is the **FIRST** regional WA City to get this pop up, so please please support it, so we can overwhelm them ❤️

LAVERTON HOSPITAL CONSTRUCTION HAS STARTED!!

Important preparatory work for the new Laverton Hospital has begun, with the Cook Government confirming that ADCO Constructions have started work. Forward works — which includes earthworks, a temporary site access road, sewer diversion, water main, design and trenching for electrical upgrade and hoarding — are being delivered in preparation for main works.

The redevelopment will provide modern emergency and contemporary multidisciplinary ambulatory care facilities and

outpatient services, including community health, mental health, drug and alcohol services, specialist facilities for visiting clinicians and space for an on-site private GP clinic. This project has been high on my radar since becoming the Member for Kalgoorlie. Having worked closely with the Minister for Health **Amber-Jade Sanderson**, I'm aware that the biggest hurdle has been the challenges finding contractors to be able to work in remote communities. But I knew that the Cook Government's commitment to this project has remained unwavering. It was lovely to deliver this news to **Shire of Laverton's** President, Patrick John Hill.

RFDS NEWS

Living in the Goldfields, I want to ensure country patients have access to care, when and where they need it most. The **Royal Flying Doctor Service WA** plays a critical role in delivering this care to regional communities in the furthest corners of our State. That's why the Cook Labor Government is investing more than **\$800 million** over 10 years in a landmark contract that puts country patients front and centre. Under this landmark new contract, an additional crew will now be rostered on Saturdays and Sundays in Kalgoorlie-Boulder to boost capability on weekends. The new

contract also provides for RFDS to become a key partner in the new State Health Operations Centre, which will improve coordination of patient transfers between Kalgoorlie and Perth hospitals.

CHILD DEVELOPMENT SERVICES

We're boosting investment in our Child Development Services across WA, including the regions! This will mean regional kids will have better access to health services — by significantly increasing in paediatricians, clinical nurse specialists, speech pathologists, occupational therapists, psychologists and audiologists. We're not only delivering more child health workers; the **\$39 million** boost also includes infrastructure funding to lease additional temporary accommodation to allow staff to see more families.

GOLDFIELDS WOMEN'S REFUGE

It was an honour to have Minister for Communities, Sabine Winton MLA in Kalgoorlie-Boulder to present the Goldfields Women's Refuge with a Lotterywest grant of **\$450,000**. The Lotterywest grant supported additional temporary accommodation, which doubled the capacity of the refuge up to **72 beds** and provides independence and security for the women and children accessing the refuge.

PATS FUEL INCREASE

We know increased fuel costs can make it tough — and that's why we've increased the **Patients Assisted Travel Scheme (PATS) fuel subsidy** by more than 50% from 16c per kilometre to **26c** per kilometre. Our Government is committed to supporting our regional communities and this is another way we're helping with cost of living.

FAMILY & DOMESTIC VIOLENCE ACCOMMODATION — LEONORA

For years, I have been working hard and advocating for those who experience Family and Domestic Violence, especially with the families in Leonora. Something that is desperately needed. I have heard firsthand, horrific stories from local women who have been so terrified that they have had to run into the bush to escape, because there was no safe space in Leonora.

The budget announcement of **\$1.7 million**, to deliver emergency accommodation for victim-survivors in Leonora will provide much needed safe accommodation for our women in the community, and aims to be open early in 2025.

FULL CIRCLE THERAPY STARTS BUILDING

Four years ago, I committed to **Full Circle Therapies Inc.** that we would build them a new centre. It's been a journey!! I was proud to stand alongside the Minister for Disabilities **Don Punch MLA** to announce that local builder, **ACorp**, will construct the new Full Circle Centre, named Mason's House.

I am immensely proud that I could commit **\$2.8 million** to enable **Full Circle Therapies Inc.** to achieve their dream of providing brilliant local facilities for Goldfields kids with special needs and look forward to seeing it open.

SUPPORTING OUR COMMUNITY

COOLGARDIE DAY 2024

Congratulations to the Coolgardie Day Celebrations Committee for organising the best day. I caught up with the fabulous Sheree Forward, to deliver the **\$15,000** Lotterywest Certificate, to help with some of the event costs. Awesome job by the tireless volunteers that put this day together.

LOCAL EVENTS

I am thrilled to be a member of the Goldfields community — it allows me to meet Famous Sharron! It is never a dull moment in our region; there is always something on. I have loved every event we've celebrated, however the Multicultural Festival was a terrific one! I was excited to have presented the cheque to the City of Kalgoorlie-Boulder on behalf of Lotterywest for **\$103,000** to help fund this, and other important events for the community!

WOMEN'S LEADERSHIP

The Kalgoorlie-Boulder Chamber of Commerce & Industry's Women's Leadership Forum was magnificent, and I was happy to be joined by the Minister for Women's Interests Sue Ellery MLC, who provided **\$10,000** towards the Forum — and one of the fabulous keynote speakers, Lisa Curry.

COMMUNITY SAFETY IS A PRIORITY

COMMUNITY SAFETY PROGRAM – \$150K FUNDING BOOST

I'm thrilled that the Cook Labor Government is providing **\$150,000** to the City of Kalgoorlie-Boulder for a joint community safety initiative – to purchase **security patrol vehicles**.

There will be a particular focus on our central business districts and main streets – with the new vehicles having 360-degree camera surveillance, GPS location tracking, and specialised lighting to enhance the team's ability to detect, respond to, and report issues. We need to change the way we deal with crime and anti-social behaviour in Kalgoorlie-Boulder. I have spent months talking to residents and businesses about anti-social behaviour and feel this partnership is going to be a 'game changer' for our community.

I have advocated strongly for this funding and I'm delighted that the Cook Labor Government is contributing \$150,000 towards purchasing these

crucial vehicles that will make this dedicated security patrol service within our City, a reality. The anti-social behaviour we've experienced in Kalgoorlie-Boulder is unacceptable, and this service will complement the great work of Goldfields-Esperance District – WA Police Force, to keep our community safe. I care deeply about the safety of our community – this is great news for safety and great news for Kalgoorlie-Boulder.

OPERATION REGIONAL SHIELD

\$23.4 million has been invested by the Cook Government to extend **Operation Regional Shield**, to rapidly deploy additional police officers, when required.

Operation Regional Shield and the police visibility has many community members telling me what a difference it has made to our City. Our stakeholders are working together to put in place some longer term tangible outcomes across a number of different areas, but the officers of Operational Regional Shield will be a constant presence for the time being.

SUPPORTING LOCAL RETAIL WORKERS

Like all Western Australians, retail workers have the right to feel safe at work. That's why we've introduced new laws that will see people who attack retail staff face up to 10 years in prison. These tougher penalties send a strong message that violent behaviour towards staff simply doing their job won't be tolerated.

BOOSTED HOMELESSNESS OUTREACH FOR KALGOORLIE

Homelessness outreach has been boosted by nearly **\$2 million** in the Goldfields, announced by the Hon John Carey, Minister of Homelessness. Bega Garnbirringu Health Services will receive the funding to carry out a two-year pilot expansion to increase assertive outreach and casework for rough sleepers. The programs will have a key focus on supporting individuals to Return to Country, and facilitate support for individuals to access the services they need.

\$85,000 GOING TO SUPPORT OUR COMMUNITY

I ABSOLUTELY LOVE THE PART OF MY JOB THAT ENABLES ME TO PROVIDE MUCH NEEDED DONATIONS AND SPONSORSHIPS. IN THE PAST 12 MONTHS, I'VE SUPPORTED OVER 60 GROUPS, BUSINESSES, AND INDIVIDUALS, SUCH AS:

2024 NAIDOC Events-*African Goldfields Community*-Boulder City Soccer Club-*Boulder Pacifika Volleyball*-Boulder Rotary Club Radio Auction-*Cancer 200 ride for Medical Research*-City Of Kalgoorlie Boulder Seniors Christmas lunch-*Community Pitch Nights*-Coolgardie Day-*Coolgardie Junior Volunteer Fire and Rescue State Championships*-Coolgardie Rodeo-*Coolgardie RSL ANZAC Day Breakfast*-Country Week Soccer-*Dragons Touch Club*-Eastern Goldfields Clay Shooters Club-*Eastern Goldfields Kart Club*-Eastern Goldfields Netball Association-*Empowering People In Communities Disability Ball*-Flyer's Netball Club-*Food Bank Kalgoorlie-Boulder*-Football West State Rep Team-*Football West U14's Borneo Soccer trip*-Gold Rush Cheer Quiz Night-*Golden Community Mile*-Golden Mile Art events-*Golden You Leadership Camp*-Goldfields Kart Club Dash For Cash-*Goldfields Multicultural Community*-Goldfields Native Animal Care nesting boxes-*Goldfields Pride*-Goldfields Repertory Club-*Goldfields TBall Association*-Goldfields Women's Healthcare Centre-*Heart of Gold Dance Company*-HOPE Community Services-*Isolated Children and Parents Association Bushman's Ball*-Kalgoorlie Boulder Mother's Day Classic-*Kalgoorlie District Pony Club*-Kalgoorlie Primary School Year 6 Camp-*Kalgoorlie Tri Club*-Kalgoorlie Volunteer Fire and Rescue-*Kambalda Community Garden*-Kambalda Fire Brigade-*Kambalda Volunteer Fire and Rescue*-KBCCI Activ8 KB-*Lions Cancer Institute Eastern Goldfields College, Children's Big Day Out*-Mari Piri Healing Colour Fun Run-*Norseman Community Garden Show*-Nyungaku Annual Back To Country Camp-*O'Connor Soccer Club*-R U OK Day Morning Tea-*Rotary District*-Shire Of Coolgardie Seniors Christmas lunch-*St Joseph's School Year 6 Camp*-Street Chaplains WA-*Sunrise Cricket Club*-The Night Of The Muses-*The Salvation Army Bus*-WA State Women's touch team-*Woman's Leadership Forum*

SUPPORTING OUR SENIORS

COST OF LIVING RELIEF

WA pensioners and seniors can get up to **\$750** off their local government rates and up to **\$600 off** water service charges! As part of the Cook Labor Government's Pensioners and Seniors Concession Scheme, we are also continuing to cut local government rate bills for WA seniors by up to **50%**. This rebate is on top of our **Cost of Living Rebate for seniors**, which provides **\$107** for singles and **\$160** for couples.

SENIORS PERSONAL ALARMS

I want seniors in my community to feel safe. These loud, easy to activate, keychain accessory **personal alarms** are available for our Goldfields Seniors. If you haven't already received one, please drop by my office at 227 Hannan St, Kalgoorlie to collect your free personal alarm.

SENIORS CHRISTMAS IN JULY LUNCH

Getting to be involved in a variety of local events and local groups, is such a reward. In July, I was delighted to attend the 2024, seniors Christmas in July. And what a great turnout! Thanks to the **City of Kalgoorlie-Boulder**. I provided the **Lions Clubs International** mini Christmas cakes, they were a hit.

TRAVEL CARD INCREASE

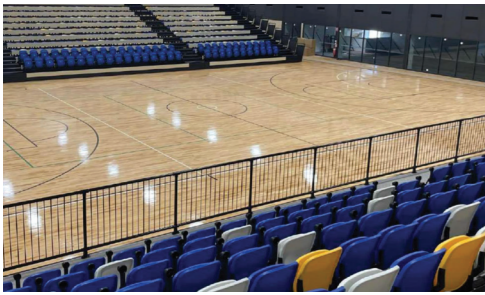

A **\$100** boost was provided this year to the Regional Pensioner Travel Card. We know country pensioners face extra costs when it comes to travel in regional WA. That's why we've increased the Regional Pensioner Travel Card to **\$675** – putting an additional **\$100 back** in eligible pensioners pocket every year.

LEONORA SENIORS

I was so proud to open this Independent Living Village with Minister for Seniors and Aging, Hon Don Punch MLA. The Shire of Leonora's Independent Living Village was supported with **\$3.5 million** in State Government funding, and provides modern accommodation units for senior residents, allowing them to remain in their community for longer, while being supported by local and visiting services.

SUPPORTING OUR SPORTS

NEW BASKETBALL STADIUM

I'm immensely proud to have helped deliver the Kalgoorlie-Boulder Basketball Stadium, and I can't wait to see the kids, families and players enjoy this new facility! I'm going to claim that our new Kalgoorlie-Boulder Basketball Stadium will be the best in Regional WA. Thanks so much to the Kalgoorlie-Boulder Basketball Association, especially Taggs, who have worked so hard to bring this! The Cook Labor Government has provided **\$6.8 million** to make this happen!

LOCAL FOOTY'S

I love supporting our local sports, especially getting to see my grandson participate! It was great to catch with kids from all over the Goldfields to hand over the very special footballs signed by our local legend Eddie Betts, and designed by Kangas favourite Charmaine Champion. Having the opportunity to deliver these to the community has been a rewarding and fun experience!

Eastern Goldfields Hockey Club
\$30,000 for new dugout & stadium upgrades

Eastern Goldfields BMX Club
\$70,000 to completely resurface the BMX Track

LOCAL SPORTS

I was so thrilled to have delivered election commitments to upgrade Leonora's multi-purpose courts and to resurface the Eastern Goldfields BMX Track—these projects are part of the **\$1 million dollars** delivered to over 46 community and not-for-profit groups in the Kalgoorlie Electorate over the past four years.

CLUB LIGHTS

We're supporting local communities upgrade their sport and recreation facilities. Through the Cook Labor Government's Club Nights Lights Program we are investing in regional sporting facilities. Here in Kalgoorlie we've seen the Eastern Goldfields Hockey Association benefit with new lighting delivered as part of these programs.

KIDS SCORING FOR SPORT

Every West Aussie kid deserves the chance to play sport. Right across Australia, families have been feeling the pinch of cost of living pressures. We know sometimes the cost involved in community sport means it's not always accessible—but our KidSport vouchers are changing that. We're boosting these vouchers to **\$500** for each eligible child. The money can be put towards club fees, essential playing equipment and uniforms.

FREE VAC SWIM FOR KIDS

We're making sure WA kids learn to swim safely with VacSwim—and over the summer holidays, we're making it free!! I'm proud to share that the Cook Labor Government is making VacSwim lessons free these December and January school holidays to ensure all kids are enjoying swimming and the water safely.

SUPPORTING EDUCATION AND TRAINING

TAFE WORKSHOP

The Cook Labor Government is committed to providing WA TAFE students with world class training facilities. As part of this commitment, we're upgrading TAFE campuses across our State. Central Regional TAFE—Kalgoorlie Campus received **\$10 million** in State Government funding for a heavy plant and engineering trades workshop to expand training for plant mechanic and engineering trades and to support the resource industries workforce needs.

FREE TAFE COURSES

There are more than 130 incredible fee free qualifications and skill sets to choose from. So if you or someone you know is thinking of studying at TAFE—now's the time! For more information about fee free TAFE, head to the Kalgoorlie Jobs and Skills Centre.

EARLY CHILDHOOD EDUCATION

We know that access to quality early childhood education and care is vital to meeting the needs of young children and families in regional communities.

That's why the Cook Labor Government is delivering funding to help make a positive impact to young children and families in the **Goldfields region**, enhancing early education and care opportunities for all.

SHARING THE LOVE WITH LOCAL SCHOOLS

I love catching up with schools to deliver their \$300 Kalgoorlie-Boulder Chamber of Commerce & Industry's Kal Vouchers. Every school gets \$300 in vouchers, that enables them to use for raffles etc. to raise funds for the school. This helps the school, like Kalgoorlie Primary School and local businesses (Thanks for being so cute Alanya)

GOLDEN YOU LEADERSHIP

I provide sponsorship for these incredible camps and catch up the lucky participants at each one. They absolutely love it and Meg Kent (no relation), goes over and above for these young people. The experience is something they'll always remember!

BOOK WEEK

Book Week is an opportunity to celebrate Australian children's literature and promote the value of books for education, enjoyment and enlightenment. Most of all, kids love it! Here's North Kalgoorlie Primary School.

APPRENTICE INCENTIVES

The Cook Labor Government is getting on with the job and filling the skills shortage in the building and construction industry, so we can get more boots on the ground and homes built sooner. The Construction Training Fund will offer **milestone payments of \$1,000** to eligible apprentices over the course of their apprenticeship, along with an additional **\$1,000** rebate at the start and end of their training to cover the costs of tools and equipment. We're also increasing the employer grant base grant to **\$15,000** for all three and four year building and construction apprentices, to help employers cover the costs of taking on apprentices.

SUPPORTING OUR ECONOMY AND INDUSTRIES

POWER POWER POWER

The Premier, the **Hon Roger Cook** and the Minister for Energy **Hon Reece Whitby MLA** and I, have been working for months to secure an agreement that was recently announced with **TransAlta**.

The Government has secured additional reliable electricity for the Goldfields by sourcing backup generation from TransAlta. This means if we have an outage, TransAlta can step in to better ensure reliable electricity in the Goldfields!!

It follows significant improvement in operations and protocols for the 220kV line servicing Kalgoorlie:

- sending additional maintenance staff and hiring a local contractor so there is immediate support;
- modernising the control system and communications capability at West Kalgoorlie

- Power Station, including installing a Starlink satellite communication system;
- upgrading the power station's battery charging and black-start capability;
- undertaking additional aerial inspections of the 220kV line;
- improving network operational and dispatch protocols in the event of an outage; and
- updating settings to improve the network's stability in the event it must be islanded.

Those actions build on a range of investments made by Western Power since 2021, with nearly **\$130 million** invested in local network infrastructure and technology, including new STATCOMs, transformers, reactors at West Kalgoorlie Power Station, and additional transformers at the West Kalgoorlie and Black Flag substations.

I want to thank the Goldfields community for its patience. I'm proud to be part of a State Government that can deliver for the people of Kalgoorlie, rather than just make empty promises.

THE GOLDFIELDS PIPELINE

Future upgrades to the Goldfields and Agricultural Water Supply Scheme are being prioritised with the Cook Labor Government investing **\$15 million** to help support long-term economic development in the Goldfields.

The Goldfields Pipeline has supported regional development and prosperity in the Goldfields since opening in 1903. It's so important to industry, residents and the community in general. This \$15 million investment will help deliver significant upgrades, ensuring the pipeline will continue to provide vital, and reliable water supply to the region to meet future demand, including for the Goldfields strategic industrial areas.

HOUSING RESIDENTIAL LOTS

Over **\$20 million** has been provided to increase housing supply and support significant regional development projects, to help build strong and vibrant communities in the Kalgoorlie-Boulder. Recently completed Stage 4 delivered 29 lots. Stage 5 of GreenView at Karlkurla is funded to deliver a further 32 residential lots — this brings the total under the Cook Labor Government to **91 Lots**.

RACE ROUND WINS

My Boss (Premier **Hon Roger Cook**) and Minister for Racing and Gaming, Hon Paul Papalia CSC MLA, came to town to announce — what will turn the Kal Cup day — into the biggest race in regional Australia, with \$1 million in prize money for a new 'Golden Saddle' slot race. The Cook State Government is investing **\$1.5 million** to establish this drawcard as part of our funding of event promotion and tourism development in regional WA, with the aim of maximizing both short term and long term benefits to the Goldfields community.

REGIONAL ECONOMIC DEVELOPMENT

Congratulations to the Goldfields projects sharing in \$455,000 in the 2024 Regional Economic Development (RED) Grants. The diverse range of projects reflect the robust, thriving, and innovative work happening across the region — everything from the expansion of **Epicafe**; purchasing an advanced CMM Machine for **Hyramech Engineering**; and **Demolition WA** who will use their grant to address a significant gap locally to undertake friable asbestos removal work, a service which is currently outsourced to Perth.

GRANNY FLATS

We're doing everything we can to boost housing supply in WA — and that's why we making it easier to build a granny flat in your backyard. The Cook Labor Government has cut red tape by making more granny flat projects exempt from council planning approval. One of a large number of measures to boost housing supply.

YILKARA INDUSTRIAL PARK

\$20.8 million has been invested to create the Yilkara Industrial Estate in Kalgoorlie-Boulder. The funds will be used to develop **22 new industrial lots**, enable utilities and build new highway intersection. This expansion aims to support growth in the resources sector, especially for gold, rare earths and lithium processing.

Over the next decade, Yilkara will deliver 61 general industrial lots, attracting more than \$200 million in private sector investment and creating more than 700 construction jobs. Once completed, the estate is expected to support more than 850 permanent jobs and inject more than \$300 million into the Kalgoorlie-Boulder economy annually.

This is a massive boost for local industry. I have been advocating for this for some time. We know how important the economic impact of Kalgoorlie-Boulder is, and this is a significant investment.

WA EV NETWORK

We are working with Synergy and Horizon Power to create Australia's longest EV charging network, right here in WA. As part of WA's EV Network, EV chargers are now available in Kalgoorlie, Coolgardie and Norseman.

THE EUCLA AIRSTRIP

The Eucla airstrip on the Nullarbor is set for a long-awaited upgrade after the government announced funding of almost **\$3.4 million**. The Eucla upgrade will be a lifeline for the small town's local population and the thousands of motorists travelling on the Nullarbor each year. The Royal Flying Doctor Service (RFDS) has previously had to land on the Eyre Highway for emergency evacuations when the Eucla airstrip is out of action.

RENTERS AND PETS

As a pet owner, I know a pet can transform a house into a home. Many renters lack the certainty to have a pet, or worse are required to rehome or surrender their pet when they move. That's why we're reforming rental laws. Rent increases will also only be allowed to occur once every year (down from every six months previously). These changes make renting fairer for all — giving tenants more certainty in their budgets and allowing them to feel more at home.

OPENING THE VOLUNTEER AND CAREER FIRESTATIONS

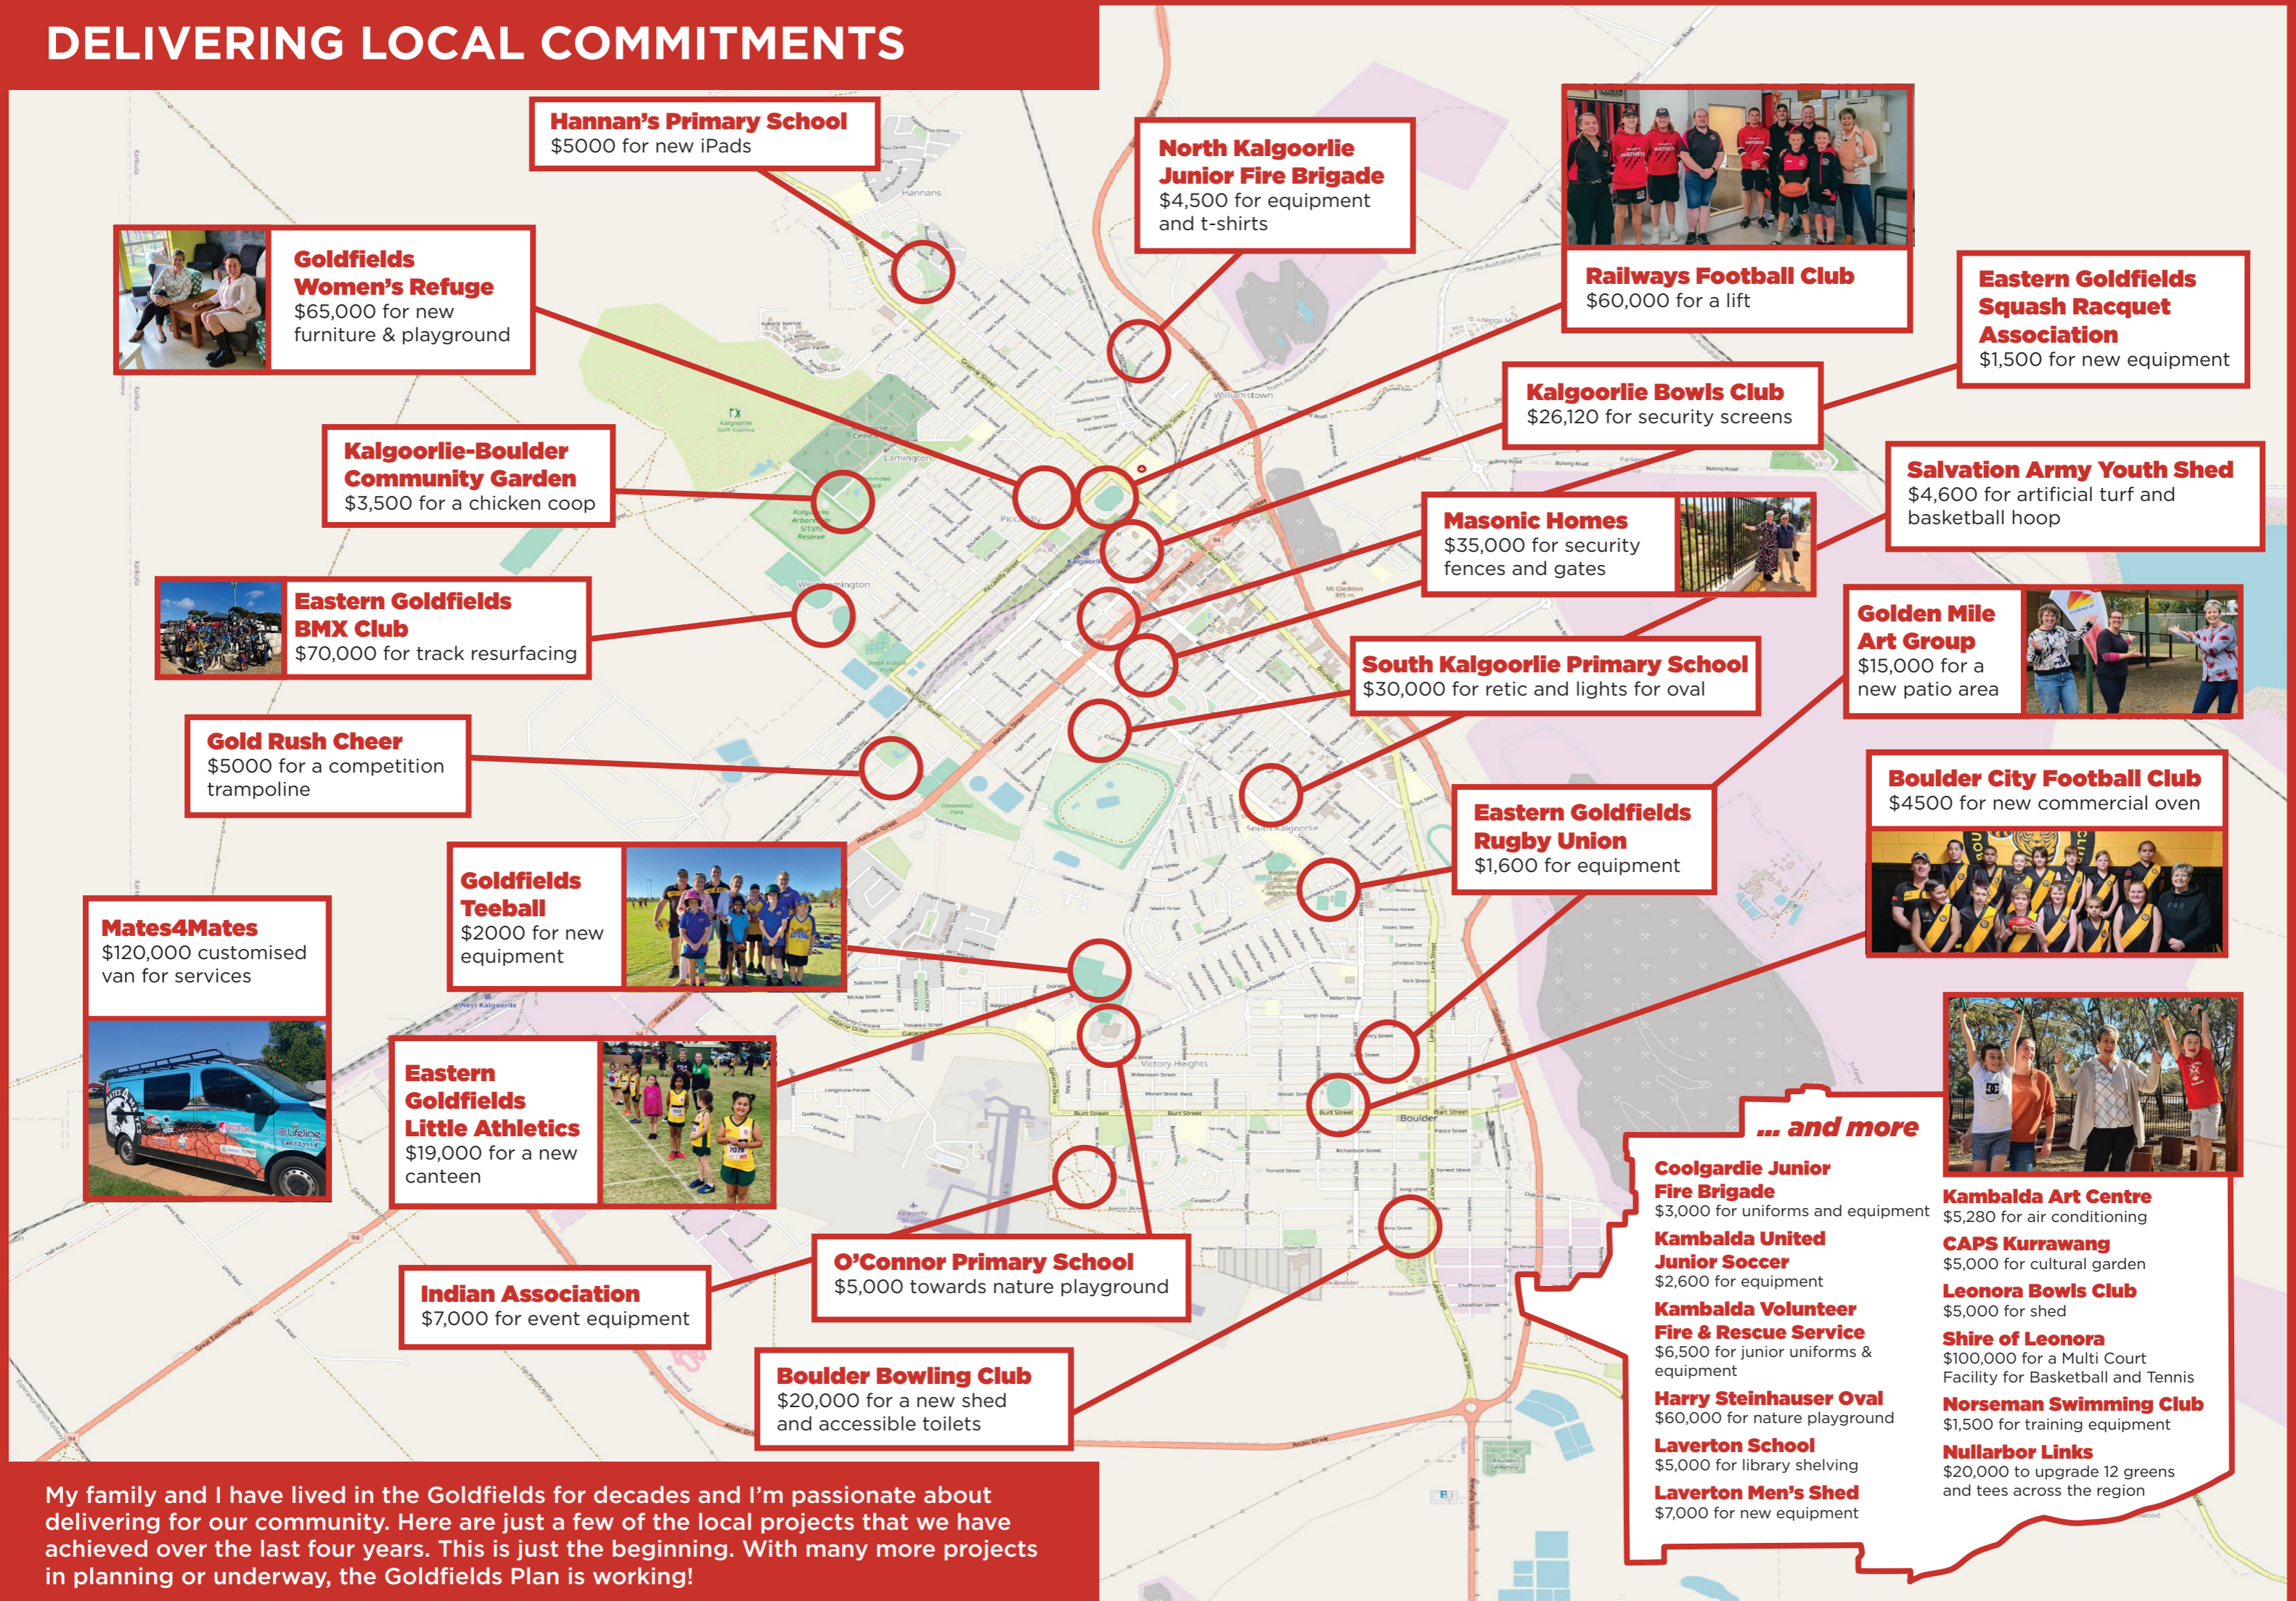

Our fires are local heroes. They are brave, they are hardworking, and they have one of the toughest jobs out there. I'm so pleased to announce that both the Kalgoorlie Career Fire and Rescue Station and the Volunteer Fire and Rescue Station renovations are now complete — delivering a major election commitment for the Goldfields. Our career fires now have access to a **\$1.9 million** state-of-the-art facility, with design features ensuring the safety and wellbeing of fire fighters is at the forefront. It features post-incident hygiene showers, new training and gym facilities, a refurbished kitchen and extra storage and study areas. And it means we can bolster the number of career firefighters on the frontline in Kalgoorlie, with the new Station able to accommodate more fires on shift.

MONTHLY RAFFLES

We have some fabulous local businesses, and every month I give the Goldfields community an opportunity to win a \$100 voucher so that they can keep spending money at our local businesses.

DELIVERING LOCAL COMMITMENTS

My family and I have lived in the Goldfields for decades and I'm passionate about delivering for our community. Here are just a few of the local projects that we have achieved over the last four years. This is just the beginning. With many more projects in planning or underway, the Goldfields Plan is working!
